- Minimum entering average for maximum handicap is 140 for men and 130 for women.
- Players use their handicap for each event. Example: teammates add their handicaps together for a team handicap.

Rerating Onsite

Tournament bowlers know that handicap events can attract players that have ability above their entering league average.

The High Roller staff is very diligent in “watching” the scoring of our events and, when necessary, re-assigning a higher average to those that demonstrate higher ability.

As a protection for the many participants, we will continue to monitor scores and even create a “watchdog committee”.
