Rating Onsite – Tournament bowlers know that handicap events can attract players that show ability above their entering league average.

The High Roller staff has been very diligent in “watching” the scoring of the event and, when necessary, re-assigning a higher average to those that demonstrate higher ability.

As a protection for the many participants, we continue to monitor scores via a “watchdog committee.”

Gaining a purposeful advantage over our Military attendees who have served our country, by using a league average much lower than ability will not be tolerated.

USBC Rule 319 applies:

Players must report or face disqualification.
43 players assigned higher averages for 2022!

Strike It Up Atlanta!

2023 Squad Schedule
