Team, Doubles & Singles events – each player bowls 3 games in each event. All 3 events are in the Plaza.

- **TEAMS** – must include at least 2 players with a military background and a maximum of 2 guests. There is an 840 4-person team average maximum.
- **DOUBLES** – each doubles team must include at least 1 player with a military background. No average cap.
- **SINGLES** – No sub for Singles unless that sub bowled either Team or Doubles event also.

Handicap Rules:

- Contestants not bowling a USBC league in the 2025/26 season must purchase a \$5 Associate Membership prior to bowling.
- Handicaps are 90% of 230, 230 & higher bowls scratch. Players without an accepted average must bowl scratch. Actual league average counts towards the 840 team cap.
- Minimum entering average for maximum handicap is 140 for men and 130 for women. Players with lower averages will get the maximum handicap.
- Players use their handicap for each event. Example: teammates add their handicaps together for a team handicap.
- Each player uses 1/3 of their handicap, dropping fractions, for sidepots and brackets.
- Only 1 PBA member per team. **NO PBA GUESTS.** All PBA members with a military status are eligible and welcome! Sponsors/host employees can bowl only if they have a military background. Guests who have won a PBA or PWBA national title, including PBA 50, U.S. Open, Masters in 2015 forward are not eligible.
- **Here is how we assign your entering average:** Current season 2025/26 is not used unless the bowler has no winter or summer averages from 2023/24 or 2024/25:
 1. First, we take your highest USBC winter average of at least 21 games from the years 2023/24 and 2024/25.
 2. If none, we look at those same years from USBC summer leagues of at least 21 games.
 3. Current 2025/26 winter season – summer not eligible.
 4. If none, we go back to 2022/23, winter then summer, adding a 10-pin penalty.
 5. If none, we go back to 2021/22, winter then summer, adding a 20-pin penalty.
 6. If none, we go back to 2020/21, winter then summer, adding a 30-pin penalty.
 7. If none of these, the bowler can bowl scratch with a 230 average that goes towards the team's 840 cap.
 8. Youth averages cannot be used. USBC Rules 319C & 319D apply.

Re-assigning Averages – Tournament bowlers know that handicap events can attract players that show ability above their entering league average.

The High Roller staff has been very diligent in “watching” the scoring of the event and, when necessary, re-assigning a higher average to those that demonstrate higher ability.

As a protection for the many participants, we continue to monitor scores via a “watchdog committee.”

Gaining a purposeful advantage over our Military attendees who have served our country, by using a league average much lower than ability will not be tolerated.

48 players assigned higher averages for 2026!

AVERAGE RULES

Each year our High Roller staff has the huge task of verifying thousands of averages from bowl.com. Many USBC associations around the country don't submit their league averages until late in the summer and it has become impossible for us to have all bowlers verified by bowling time. Some teams have been found over the 840 cap and have very little time to make a change. League standing sheets have not been accepted since they aren't always up to the last week of bowling.

Instead of turning down teams or players, because they can't be verified, we have this change:

Current winter season 2025/26 will not be used with the exception of those bowlers who fit into the categories listed under Handicap Rules on this page.

Doubles!**

Mixed Doubles - Pick your partner and enter now or enter on site as we are anticipating many others will be looking for a partner. Ends August 28th.

No Tap Singles – A quick and fun singles event where getting 9 is just like getting a strike! Scores will be high but that is where the fun is! Entry fee is \$30 prepaid or \$40 starting July 1st per person and a 1 in 6 ratio for prizes. Maximum score per game is 300 including handicap.

Mixed Doubles and No Tap are all held in the Bowling Center.

NEW – Optional \$10 Fee For Larger Scratch Singles Purse With \$2,000 1st!

In previous years, prize money was allocated from the total Singles purse to pay scratch prizes in Singles and All Events. The purses were small and the top prize was only \$800 in Singles. And it was prize money that the majority of bowlers couldn't win.

We're replacing that with this new program and the previously allocated funds will remain in the main Singles purse.

So for \$10 you can win for \$2,000 for 1st in a minimum 30-position purse which will far exceed Scratch purses from previous years.

MILITARY ONLY SWEEPER

The Military Only Sweeper will join the same squad schedule as the Open Age and Age 60 & Over Sweepers. Those bowling in the Military Only can also bowl in one of the age sweepers in the same squad and use the scores for both. Entry fee must be paid for both.

Ends August 26th.
