Our sincere sympathies go to those families who were drastically affected by the worldwide pandemic. Of course, everything is always subject to change, but as of June 1st, 2021, Southern Nevada has reverted back to 100% occupancy, lifted social distance regulations and cancelled the mask mandate making masks optional if vaccinated. So, unless anything changes, we will look much like we have looked in the past with a 6-person team on each pair, using all of the lanes.

Thanks for participating! We wish you the best of luck in the tournament and in Las Vegas! Copies of this confirmation should be distributed to your teammates. They may also view and print it at www.high-roller.com by clicking on the page Your Personal Confirmation Here.

Prior to competition, Team Captains must provide Military or DOD ID cards for each team member. Players without a USBC card must purchase an Unattached card prior to bowling. Players that presented their Military ID cards any year since 2006 do not need to present them again **except for Active Duty contestants who moved to a Retired Division.**
